**To the attention of UNITWIN/UNESCO Chairs  
Programme**

6 December, 2022

It gives us special pleasure to recommend Professor Dr. Raúl Delgado Wise for your consideration. We are delighted to express our fullest support for the renewal of his UNESCO Chair on Migration, Development and Human Rights.

The activities of this chair and of Dr. Delgado Wise are of great relevance to our academic programme. He has been an advisor to several research projects on migration and social inequalities at our Center on Migration, Citizenship and Development (COMCAD). We very much welcome of the plans and activities associated with the renewal of this UNESCO chair and hope to continue our cooperation in research and doctoral training.

Yours sincerely,

Thomas Faist
