To whom it may concern

It is my pleasure and honour to express the support of Globalisation and Migration Studies Programme of the Centre for Multilevel Federalism at this Institute for the renewal of the UNITWIN/UNESCO Chair on migration, development and human rights at the Universidad Autónoma de Zacatecas coordinated by Professor Dr. Raul Delgado Wise.

We had established a long standing academic collaboration and partnership between my erstwhile institution the Jawaharlal Nehru University and the Universidad Autónoma de Zacatecas through Professor Dr. Raul Delgado Wise since 2005, later on continued at my present institution the Centre for Multilevel Federalism at the Institute of Social Sciences since 2019. Dr. Delgado Wise has been instrumental in building bridges across Mexico and India through exchange of visits and participation in deliberations with the governments of the two countries. There have also been scholarly exchanges resulting in publications in the field of international migration and diaspora studies since 2009.

I am confident that the renewal of the Chair would help consolidate the benefits of its past contribution and foster continuity for the objectives to be furthered with mutual benefits of the two institutions.

With my best wishes,

Binod Khadria
